RE: 2020 Jeanneau Rendezvous at Poets Cove June 19 to 21, 2020

Dear Jeanneau Owners, Friends, Guests and Suppliers,

We trust that you are staying healthy and safe during this Coronavirus pandemic. We are all experiencing unprecedented times that comes with many challenges, changes and some uncertainty. Fraser Yacht Sales is proud to be part of BC's hard work towards flattening the epidemic curve over the past 8 weeks.

In light of the developments regarding the Coronavirus, it is with heavy hearts that we have decided to cancel our annual Jeanneau Rendezvous at Poets Cove June 19 to 21. We are confident the best measures are being undertaken to manage the current state, nevertheless the uncertainty of knowing for sure how this situation will evolve with the provincial guidelines for a maximum group size led us to take this difficult but necessary decision.

The Jeanneau Rendezvous is, and will always be, a joyful event and we do not intend to compromise its spirit. Let's not forget that it is still only May so there is lots of healthy boating time still on our horizon for this summer while we isolate on our Jeanneau's!

We also have a great lineup of new Jeanneau Yachts currently in stock and our sales team are always full of great ideas and tips if anyone would like to discuss a future boat. Please feel free to give us a call or email. You can connect to our website www.fraseryachtsales.com for some content that is not related to Covid-19!

We will get through this together as a family and soon enough we will all be social distancing out on the water. We look forward to a summer of enjoying warm weather, great music and making unforgettable memories with our families and friends.

Fair winds, safe boating and continued health!

Ian, Scott, Kevin, Brian, Mikey, Marcia & Lindsay
